

Members Treasure Chest Promotion Terms & Condition's

A members number is drawn every 5 minutes starting at 5.45pm

At 6.15pm if correct member number hasn't been drawn closest member number at this time gets to pick key from board to try and open the lock on the treasure chest. Jackpot starts at \$200 - Current Jackpot is \$600

Members numbers are then drawn again every 5 minutes until 6.45pm

If the correct membership number is again not drawn in this period of time the closest member number to the one drawn at 6.45pm gets to pick the key to try and open the lock on the treasure chest

If a key doesn't open the treasure chest the draw jackpots by \$50 each time

If a member gets a key that doesn't open the treasure chest they win \$20

Members must be financial and be present on the night
